

Nes Ammim is a village in the Western Galilee, Israel, dedicated to encounter and dialogue, learning and hospitality. In its midst lives an international ecumenical Christian community, founded and supported by European Christians and churches. Its members (ca. 35 volunteers), motivated by the lessons of the past and the challenges of the present, are living, working and learning in solidarity with the wide spectrum of people in the country, Jews, Arabs and others.

Nes Ammim is looking for an ICT ADMINISTRATOR in Israel

Your responsibility

The ICT administrator is responsible for all work activities concerning communication and ICT infrastructure in Nes Ammim. He or she maintains the network and develops IT solutions. The ICT administrator reports to the Facility Manager of Nes Ammim and will work in close cooperation with the Facility Manager. The IT administrator is a voluntary key position.

You offer

- Professional ICT-certifications;
- Well founded Windows knowledge;
- Hands on experience of installing IT hardware and software;
- Work experience with Windows 2008 server and cloud based email server;
- Good level of English

Personal skills

- Hands-on attitude;
- Flexible (also in work time);
- Stress resistant;
- Confident communication and social skills.

Nes Ammim offers

A challenging position as a volunteer for a period of two years; extension is possible. Accommodation and meals, monthly payment, health insurance, contribution to pension provisions and a fascinating study program are included.
